

# LEARN ENGAGE CREATE

WVFEC Summer Training

## Event Highlights

This summer, the West Virginia Family Engagement Center is bringing together individuals from across the state for interactive training focused on **building and strengthening connections** between families, schools, and communities!

Participants will **receive \$200 for full completion** of the day training and **be reimbursed one night of lodging** at the government rate for Charleston.

This dynamic, in-person event provides a forum for you to:

- **Collaborate** with educators,
- **Explore** best practices,
- **Gain** insights from the field, and,
- **Co-create** actionable solutions to strengthen school-family-community partnerships.

Whether you're looking to expand your knowledge, spark new ideas, or build lasting connections—you won't want to miss this! Let's **learn, engage, and create**.
